

r17.4.7 Changelog

+-----+
| r17.4.7 Release - 72936 |
+-----+

Release day - 18th November 2020

Bug

- [DSOF-15052] - Transferring content to an actor will no longer occasionally fail with an m_file->codec error
- [DSOF-15261] - d3 no longer reports "Uncompressed Renderstream license: unknown" when license is valid, in the right place and RSUC is working
